Glorious Image Productions is a production company that is committed to producing convicting, heartfelt, quality entertainment that reflects God's Glorious Image!

G.I.P. takes pride in promoting our Newest Production **"IT IS FINISHED"** with a sense of urgency. We understand that it takes hard work to introduce a New Production Company to a city and get people to support it. That's why we are diligent in accomplishing goals without compromising the integrity and mission of the company.

Our mission is to help others fulfill their dreams, by creating opportunities for newcomers and experienced artists alike, and our newest production does just that! With a cast of over 50 members, It Is Finished has given many actors, singers, dancers, and musicians a chance to share their talents on the world's stage. We are giving the opportunity to experience a professional Broadway Stylized production without conforming to union standards. **It Is Finished** is a theatrical epic drama that gives you an inside look into the life of a man whose love penetrated the depths of darkness, and changed the course of history forever. It has previously attracted over 2,000 patrons, and with a growing fan base, we anticipate drawing over 6,000 viewers for July 2017's performances.

Along with producing quality entertainment, **G.I.P.** has a passion to meet the needs of youth and young adult women, through launching an outreach organization called **"Your Glorious Image in HD"**. This organization is designed to build self-esteem, motivate dreams, and generate leaders. We truly have remarkable things in store, and believe together, we can accomplish something great!

Glorious Image Productions has teamed with **TLWFC** and both have professional and experienced individuals that are well equipped to organize and plan a first-class event that you would be proud to be affiliated with. **TLWFC** campus serves as the host venue which has held many national conferences and artists such as **Micah Stampley, Eddie James, The Pace Sisters** and **Marvin Sapp**. Local Houston area radio-station **RHEMA Gospel Radio (101.5 FM)** has also come aboard as well as a host of others who have signed on to be sponsors and or vendors for this event. We're inviting you and your team to join us as sponsors. Your sponsorship allows us to impact your community and introduce, as well as entertain, in Houston, Texas on a grander level. We invite you to review the sponsorship opportunities and would be ecstatic to answer any questions that you might have pertaining to this event. Please contact (832) 736-8447 with any questions or concerns you may have.

Once again, we would enjoy the opportunity to work with you to make this a first-class event! Thank you for your consideration, we look forward to your favorable response, and hope to hear from you soon!

Best Regards,

Liz Rachelle
